INFORMATION STATEMENT

WE ARE NOT ASKING YOU FOR A PROXY AND YOU ARE REQUESTED NOT TO SEND US A PROXY

Introduction

This Information Statement is being furnished to the shareholders of the OFI Carlyle Private Credit Fund, a Delaware statutory trust (the “Fund”), to inform shareholders (i) of the election of a new Trustee and (ii) in connection with a transaction described in more detail herein, of the approval of a new investment advisory agreement (the “New Advisory Agreement”) between the Fund and Carlyle Global Credit Investment Management L.L.C., the Fund’s current investment sub-adviser (“Carlyle” or “CGCIM”). The election of the new Trustee and the New Advisory Agreement will become effective on October 24, 2019.

Background

OC Private Capital, LLC currently serves as the Fund’s investment adviser pursuant to the investment advisory agreement, dated as of May 25, 2019 (the “Current Advisory Agreement”), between the Fund and OC Private Capital, LLC.

The Fund is also currently sub-advised by Carlyle pursuant to the sub-advisory agreement, dated as of May 25, 2019 (the “Current Sub-Advisory Agreement” and, together with the Current Advisory Agreement, the “Current Agreements”), between OC Private Capital, LLC and Carlyle. OC Private Capital, LLC oversees the allocation of the Fund’s assets to its underlying credit strategies and Carlyle sources and makes investment decisions within each strategy.

OC Private Capital, LLC is 51% owned by an affiliate of OppenheimerFunds, Inc. (“OFI”) and 49% owned by Carlyle Investment Management L.L.C (“CIM”). On October 17, 2018, Massachusetts Mutual Life Insurance Company (“MassMutual”), an indirect corporate parent of OFI and its subsidiaries, entered into an agreement with Invesco Ltd. (“Invesco”), a leading independent global investment management company, whereby Invesco agreed to acquire MassMutual’s asset management affiliate, OFI. In turn, MassMutual and OFI’s employee shareholders would receive a combination of common and preferred equity consideration and MassMutual would become a significant shareholder in Invesco, which transaction closed on May 24, 2019 (the “Invesco Closing Date”).

Following the Invesco Closing Date, Invesco and Carlyle determined to liquidate and dissolve OC Private Capital, LLC, and have determined that it would be in the best interests of the Fund and its shareholders if Carlyle, the Fund’s current investment sub-adviser, served as the investment adviser to the Fund pursuant to the New Advisory Agreement (the “Transaction”).

Under the Investment Company Act of 1940, as amended (the “1940 Act”), the New Advisory Agreement needs to be approved by the Board and the Fund’s shareholders if Carlyle is to serve as the Fund’s investment adviser.

At an in-person meeting of the Board of Trustees of the Fund (the “Board”) held on September 23, 2019 (the “Board Meeting”), the Board, including a majority of the Trustees who are not “interested persons” (as that term is defined in the 1940 Act) of the Fund (the “Independent Trustees”), approved the New Advisory Agreement between the Fund and Carlyle. The Board also determined to recommend to the Fund’s shareholders that they approve the New Advisory Agreement. After considering the Board’s recommendation, pursuant to Article X, Section 10.8 of the Fund’s Amended and Restated Declaration of Trust and the requirements of the 1940 Act, the holders of a majority of the Fund’s outstanding voting securities as of September 24, 2019 approved the New Advisory Agreement by written consent.

As discussed below, the New Advisory Agreement is the same in all material respects to the Current Advisory Agreement. A marked copy of the New Advisory Agreement is attached hereto as Annex A.

In addition, at the Board Meeting, the Board nominated Justin Plouffe for election as a Trustee of the Fund and recommended his election to the Fund's shareholders. Justin Plouffe is a current portfolio manager of the Fund and a voting member of OC Private Capital, LLC's Portfolio Allocation Advisory Committee ("PAAC"). Justin Plouffe also is a Managing Director and the Deputy Chief Investment Officer of Carlyle Global Credit, and if elected would be an interested Trustee. After considering the Board's recommendation, pursuant to Article X, Section 10.8 of the Fund's Amended and Restated Declaration of Trust and the requirements of the 1940 Act, the holders of a majority of the Fund's outstanding voting securities as of September 24, 2019 elected the new Trustee by written consent.

Information regarding the new Trustee, including brief biographical information, is set forth below.

This Information Statement is being made available on or about October 4, 2019 to the Fund's shareholders of record at the close of business on September 30, 2019.

New Advisory Agreement

Board Approval and Recommendation

At an in-person meeting held on September 23, 2019, the Board, including a majority of the Independent Trustees, approved the New Advisory Agreement for the Fund and recommended that shareholders of the Fund approve the New Advisory Agreement. A summary of the Trustees' considerations is provided below in the section entitled "Board Considerations."

Shareholder Approval

On September 24, 2019, after considering the Board's recommendation, pursuant to Article X, Section 10.8 of the Fund's Amended and Restated Declaration of Trust and requirements of the 1940 Act, the holders of a majority of the Fund's outstanding voting securities as of September 23, 2019 approved the New Advisory Agreement by written consent.

Comparison of the Current Advisory Agreement and New Advisory Agreement

The New Advisory Agreement is the same in all material respects as the Current Advisory Agreement. The term of the New Advisory Agreement will continue from the new effective date for an initial two-year term as permitted by the 1940 Act. Thereafter, the New Advisory Agreement will be submitted annually to the Board for successive one-year renewals. There will be no changes to the level of services currently required to be provided to the Fund or the fees payable to the Fund's investment adviser for those services. A marked copy of the New Advisory Agreement is attached as Annex A to this Information Statement and the description of terms in this Information Statement is qualified in its entirety by reference to Annex A.

Board Considerations

At an in-person meeting of the Independent Trustees held on September 23, 2019 (the "Meeting"), the Board, including all of the Independent Trustees (for the purposes of this section, the "Board"), considered the information it received from management with respect to the New Advisory Agreement relating to, among other things, the impact of the Transaction on the Fund and its shareholders.

The Board noted that it had recently considered and approved the Current Agreements at an in-person meeting held on April 22, 2019, at which time and at the Meeting it had considered in detail a number of factors regarding the Current Agreements and the New Advisory Agreement, as applicable, including: (i) the effect of the Transaction and any impact on the Fund and its shareholders, including that the Transaction was not expected to have any impact on or diminution in the services currently provided to the Fund given the fact that (x) the same portfolio management team at Carlyle would continue to provide advisory services to the Fund, (y) Invesco, Carlyle and the Fund will enter into a Transition Services Agreement, pursuant to which Invesco will provide, during the term thereof, the same types of administrative and compliance services to the Fund and Carlyle as it did prior to the Transaction and (z) Carlyle represented to the Board that, following the termination of the Transition Services Agreement, it will provide the same level of administrative and compliance services to the Fund as Invesco has provided; (ii) the nature, extent and quality of the services provided by, or to be provided by, Carlyle; (iii) the investment management capabilities and experience of Carlyle, including that the same portfolio management team would continue to manage the Fund; (iv) the Fund's performance and the costs of the services provided and profits to be realized by Carlyle from its relationship with the Fund; (v) the extent to which economies of scale would be realized as the Fund grows and whether management fee levels would reflect these economies of scale for the benefit of the Fund's investors; (vi) other benefits to be derived by Carlyle from its relationship with the Fund; and (vii) any other information deemed relevant by the Board.

The Board did not identify any single factor as being of paramount importance, and different Trustees may have given different weight to different factors. The Independent Trustees reviewed with counsel to the Independent Trustees the legal standards applicable to its consideration of the New Advisory Agreement. Based on this review, including consideration of each of the factors referenced above, the Board determined, in the exercise of its reasonable business judgment, that the New Advisory Agreement and the fees payable thereunder were fair and not unreasonable in light of the services to be performed, expenses to be incurred and such other matters as the Board considered relevant, and recommended that the shareholders of the Fund approve the New Advisory Agreement.

The parties agree that each Fund Indemnitee shall be a third party beneficiary of the terms of this subparagraph “(f)”.

The Adviser shall keep and supply to the Fund reasonable records of all such expenses.

5. Compensation of the Adviser.

The Fund agrees to pay the Adviser and the Adviser agrees to accept as full compensation for the performance of all functions and duties on its part to be performed pursuant to the provisions hereof, a fee as set forth on Exhibit A. 7. Portfolio Transactions and Brokerage.

(a) The Adviser is authorized, subject to the supervision and oversight of the Board, to establish and maintain accounts on behalf of the Fund with, and place orders for the purchase and sale of the Fund's portfolio securities or other investments with or through, such persons, brokers or dealers, futures commission merchants or other counterparties ("brokers") as the Adviser may elect and negotiate commissions to be paid on such transactions; provided, however, that a broker affiliated with the Adviser shall be used only in transactions permissible under applicable laws, rules and regulations, including without limitation the 1940 Act and the Advisers Act and the rules and regulations promulgated thereunder, as well as permitted by the Policies adopted by the Fund. The Adviser, upon reasonable request of the Board, shall promptly provide the Board with copies of all agreements regarding brokerage arrangements related

to the Fund.

(b) The Adviser shall enter into transactions and place orders for the purchase and sale of portfolio investments for the Fund's account with brokers, dealers and/or other counterparties selected by the Adviser. In the selection of such brokers, dealers and/or other counterparties and the entering into of such transactions and placing of such orders, the Adviser shall seek to obtain for the Fund the most favorable price and execution available, except to the extent it may be permitted to pay higher brokerage commissions for brokerage and research services, as provided below. In using its reasonable efforts to obtain for the Fund the most favorable price and execution available, the Adviser, bearing in mind the best interests of the Fund at all times, shall consider all factors it deems relevant, including without limitation price, the size of the transaction, the breadth and nature of the market for the security, the difficulty of the execution, the amount of the commission, if any, the timing of the transaction, market prices and trends, the reputation, experience and financial stability of the broker, dealer or counterparty involved and the quality of service rendered by the broker or dealer in other transactions. Subject to such policies as the Board may determine, or as may be mutually agreed to by the Adviser and the Board, the Adviser shall not be deemed to have acted unlawfully or to have breached any duty created by this Agreement or otherwise solely by reason of its having caused the Fund to pay a broker or dealer that provides brokerage and research services (within the meaning of Section 28(e) of the 1934 Act, and any Commission guidance issued thereunder) to the Adviser an amount of commission for effecting an investment transaction in the Fund that is in excess of the amount of commission or spread that another broker or dealer would have charged for effecting that transaction if, but only if, the Adviser determines in good faith that such commission or spread was reasonable in relation to the value of the brokerage and research services provided by such broker or dealer viewed in terms of either that particular transaction or the overall responsibility of the Adviser with respect to the accounts for which it exercises investment discretion (as such term is defined in Section 3(a)(35) of the 1934 Act). It is recognized that the services provided by such brokers and dealers may be useful to the Adviser in connection with the Adviser's services to other clients. The Adviser is responsible for obtaining a completed Form W-9 from any broker it selects to place orders for the Fund, and responsible for providing such to the Fund.

(c) On an ongoing basis, but not less often than annually, the Adviser shall provide a written report summarizing the considerations used for selecting brokers, dealers and other counterparties in the Adviser's purchases and sales of portfolio investments and analysis regarding "best execution," taking into account the Adviser's best execution policy (provided that the Adviser shall not be required to weigh any particular factor on an equal basis), as well as any "soft dollar" or similar arrangements that the Adviser maintains with brokers or dealers that execute transactions for the Fund, and of all research and other services provided to the Adviser by a broker or dealer (whether prepared by such broker or dealer or by a third party) as a result, in whole or in part, of the direction of transactions for the Fund by the Adviser to the broker or dealer.

(d) On occasions when the Adviser deems the purchase or sale of a security to be in the best interests of the Fund as well as other clients of the Adviser, the Adviser, to the extent permitted by applicable laws and regulations (including without limitation any applicable exemptive orders or Commission guidance) and subject to the trade allocation procedures approved by the Board, may, but shall be under no obligation to, aggregate the securities to be sold or purchased in order to obtain the most favorable price or lower brokerage commissions or spreads and efficient execution. In such event, allocation of securities so sold or purchased, as well as the expenses incurred in the transaction, will be made by the Adviser in accordance with the approved procedures.

(e) The Adviser shall render reports to the Board as requested regarding commissions generated as a result of trades executed by the Adviser for the Fund, as well as information regarding third-party services, if any, received by the Adviser as a result of trading activity relating to the Fund with brokers and dealers.

8. Duration.

This Agreement will take effect on the date first set forth above. Unless earlier terminated pursuant to paragraph "9" hereof, this Agreement shall remain in effect until two years from the date of execution hereof, and thereafter will continue in effect from year to year, so long as such continuance shall be approved at least annually by the Board, including without limitation the vote of the majority of the Trustees who are not parties to this Agreement or "interested persons" (as defined in the 1940 Act) of any such party, cast in person at a meeting called for the purpose of voting on such approval, or by the holders of a "majority" (as defined in the 1940 Act) of the outstanding voting securities of the Fund and by such a vote of the Board.

9. Termination.

This Agreement may be terminated: (a) by the Adviser at any time without penalty upon giving the Fund sixty days' written notice (which notice may be waived by the Fund); (b) by the Fund at any time without penalty upon sixty days' written notice to the Adviser (which notice may be waived by the Adviser); or (c) by the Fund upon delivery of written notice from Fund to the Adviser in the event of a material breach of any provision of this Agreement by the Adviser, provided that, to the extent such material breach is capable of being cured, the Fund shall have first provided the Adviser written notice of the material breach and the Adviser shall have failed to cure such breach to the reasonable satisfaction of the Fund within 10 days after the delivery of such notice; provided that termination by the Fund under (b) or (c) above shall be directed or approved by the vote of a majority of all of the Trustees then in office or by the vote of the holders of a "majority" (as defined in the 1940 Act) of the outstanding voting securities of the Fund.

10. Assignment or Amendment.

This Agreement may not be amended without the affirmative vote of the Board, including a majority of the Trustees who are not parties to this Agreement or interested persons of any such party, cast in person at a meeting called for the purposes of voting on such approval and, where required by the 1940 Act, by a vote or written consent of a "majority" of the outstanding voting securities of the Fund, and shall automatically and immediately terminate in the event of its "assignment," as defined in the 1940 Act.

11. Disclaimer of Shareholder Liability.

The Adviser understands that the obligations of the Fund under this Agreement are not binding upon any Trustee or shareholder of the Fund personally, but bind only the Fund and the Fund's property. The Adviser represents that it has notice of the provisions of the Declaration of Trust of the Fund disclaiming shareholder liability for acts or obligations of the Fund.

12. Definitions.

The terms and provisions of this Agreement shall be interpreted and defined in a manner consistent with the provisions and definitions of the 1940 Act.

13. Counterparts.

This Agreement may be executed in several counterparts, each of which shall be deemed to be an original, and all such counterparts taken altogether shall constitute one and the same Agreement. Counterparts may be executed in either original or electronically transmitted form (e.g., faxes or emailed portable document format (PDF) form), and the parties hereby adopt as original any signatures received via electronically transmitted form.

14. Governing Law, Jurisdiction, etc.

This Agreement shall be governed by and construed in accordance with substantive laws of the State of New York without reference to choice of law principles thereof and in accordance with the 1940 Act. In the case of any conflict, the 1940 Act shall control. The state and federal courts sitting within the State and County of New York shall be the sole and exclusive forums for any action or proceeding hereunder and the parties hereto consent to the jurisdiction thereof. EACH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

15. Severability.

If any provision of this Agreement shall be held or made invalid by a court decision or applicable law, the remainder of the Agreement shall not be affected adversely and shall remain in full force and effect.

16. Entire Agreement.

This Agreement contains the entire understanding and agreement of the parties with respect to the subject matter hereof. Each party shall perform such further actions and execute such further documents as are necessary to effectuate the purpose of this Agreement.

17. Survival.

The provisions of Sections 5, 6, 11, 14 and 17 shall survive termination of this Agreement.

EXHIBIT A TO
ADVISORY AGREEMENT

A management fee calculated and payable monthly in arrears on the month-end value of the Fund's net assets at an annual rate of:

1.50% of the Fund's month-end value of the Fund's net assets

In addition to the asset based fee above, the Fund shall pay to the Adviser an Incentive Fee calculated and payable quarterly in arrears based upon the Fund's "pre-incentive fee net investment income" for the immediately preceding quarter, and is subject to a hurdle rate, expressed as a rate of return on the Fund's net assets, equal to 1.50% per quarter (or an annualized hurdle rate of 6.00%), subject to a "catch-up" feature. For this purpose, "pre-incentive fee net investment income" means interest income, dividend income, income generated from original issue discounts, payment-in-kind income, and any other income earned or accrued during the calendar quarter, minus the Fund's operating expenses (which, for this purpose shall not include any distribution and/or shareholder servicing fees, litigation, any extraordinary expenses or Incentive Fee) for the quarter. For purposes of computing the Fund's pre-incentive fee net investment income, the calculation methodology will look through total return swaps as if the Fund owned the referenced assets directly. As a result, the Fund's pre-incentive fee net investment income includes net interest, if any, associated with a derivative or swap, which is the difference between (a) the interest income and transaction fees related to the reference assets and (b) all interest and other expenses paid by the Fund to the derivative or swap counterparty. Net assets means the total assets of the Fund minus the Fund's liabilities. For purposes of the Incentive Fee, net assets are calculated for the relevant quarter as the weighted average of the net asset value of the Fund as of the first business day of each month therein. The weighted average net asset value shall be calculated for each month by multiplying the net asset value as of the beginning of the first business day of the month times the number of days in that month, divided by the number of days in the applicable calendar quarter.

The calculation of the Incentive Fee for each calendar quarter is as follows:

No Incentive Fee is payable to the Adviser if the Fund's pre-incentive fee net investment income, expressed as a percentage of the Fund's net assets in respect of the relevant calendar quarter, does not exceed the quarterly hurdle rate of 1.50%;

100% of the portion of the Fund's pre-incentive fee net investment income that exceeds the hurdle rate but is less than or equal to 1.875% (the "catch-up") is payable to the Adviser if the Fund's pre-incentive fee net investment income, expressed as a percentage of the Fund's net assets in respect of the relevant calendar quarter, exceeds the hurdle rate but is less than or equal to 1.875% (7.50% annualized). The "catch-up" provision is intended to provide the Adviser with an incentive fee of 20% on all of the Fund's pre-incentive fee net investment income when the Fund's pre-incentive fee net investment income reaches 1.875% of net assets; and

20% of the portion of the Fund's pre-incentive fee net investment income that exceeds the "catch-up" is payable to the Adviser if the Fund's pre-incentive fee net investment income, expressed as a percentage of the Fund's net assets in respect of the relevant calendar quarter, exceeds 1.875% (7.50% annualized). As a result, once the hurdle rate is reached and the catch-up is achieved, 20% of all the Fund's pre-incentive fee net investment income thereafter is allocated to the Adviser.
