Carlyle Strengths

- Highest Ethical and Business Standards: Maintaining Carlyle's good name and the good name of our partners is paramount.
- Global Vision: Local Insight: Carlyle is a global alternative asset manager with 299 investment vehicles investing across four segments spanning seven geographical areas run by local investment professionals.
- Teamwork: Carlyle investment professionals from around the world collaborate on deal sourcing and due diligence and share industry expertise.
- Conservative/Low Beta Investment Approach: We strive for singles and doubles, avoiding strikeouts that often result when swinging for the fences.
- Industry Expertise: Focus on industries we know well; don't chase the latest trend.
- Consistency of Decision-making: Central investment committees approve all investments.
- Carlyle Interests Aligned with Investors: Senior Carlyle professionals, Operating Executives, and other professionals have invested or committed to invest in excess of \$7.75 billion in or alongside our funds.
- Invest Heavily in Back Office Systems and Controls: Carlyle performs most ongoing activities in-house, from fundraising and due diligence to back office support and financial reporting.
- Positive Impact on Economy: Help to revitalize companies and create jobs.
